Dear Ms. Chama, Mr Spratt, and Dr. Shale,

I hope this email finds you well.

Please find attached two documents, the first, is the Power BI report file containing the work done on analysing Zambia's life expectancy, GDP per capita, and health expenditure using the World Bank and UN datasets, which will be identified in the PDF summary of the analysis which is the second document.

Your feedback to my work will be highly appreciated. I look forward to discussing this work with you.

Kind regards,

Ronald Chibale.
