

SUBJECT: PBI Independent Analysis – Enos Chileshe

Good afternoon, Ms Chama, Mr. Spratt, and Dr. Shale,

I hope you are doing well. I am writing to you to submit my analysis on the Zambian agricultural sector. The main purpose of my analysis was to highlight the importance and growth potential of Zambia's agricultural sector. I have highlighted insights ready for your review, and I look forward to your feedback.

Please find attached the README file, Power BI report and the Summary document explaining my insights.

Please get back to me as soon as possible.

Kind regards,

Enos Chileshe.
