

Subject: Analysis of Unemployment Trends and Economic Growth in Zambia (1990-2024)

Good afternoon, Ms Chama, Mr. Spratt and Dr Shale,

I hope this finds you all well.

Please see attached a completed power BI report and PDF File summarizing my findings.

In this assignment I determined the trend of unemployment over the years from 1990 to 2024 in Zambia, I also established the relationship between unemployment and GDP.

Thank you,

Kind Regards

Mirriam Nauluta.
