**RE: ANNUAL FOREIGN EXCHANGE REVIEW ZMW VS MAJOR CURRENCIES -KONDWANI BANDA**

Greetings Dr. Shale, Mr. Darren Spratt, and Ms. Clemens Chama, I hope you are doing well.

Please find attached my completed Annual foreign exchange review of the Zambian Kwacha Power BI report and executive summary. The model walks you through how the Kwacha is structurally weak but stabilizing, how volatility remains elevated, how inflation continues to drive depreciation and how recent appreciation may be temporary. I have tested and verified that all slicers and filters are working, and the model is ready for review. Kind regards, Kondwani Banda.

Kind regards

Kondwani Banda
